>> Not many pastry chefs in Toronto can boast having made a chocolate cake for Mick Jagger's birthday – but Dufflet Rosenberg can. The city's most famous dessert destination is offering the Small Indulgences collection, perfect for anyone in your life. The line's chocolate-covered pistachios are endlessly hailed by critics and are sure get rave reviews at any gift-swap soiree. And the hot chocolate and chocolate-covered cashews are also delectable. As for a few of the bigger indulgences, pick up a gingerbread toffee bundt or some vegetarian mince tarts for a little extra festive flavour.
