

## New Food Finds

by AOL Food Editors

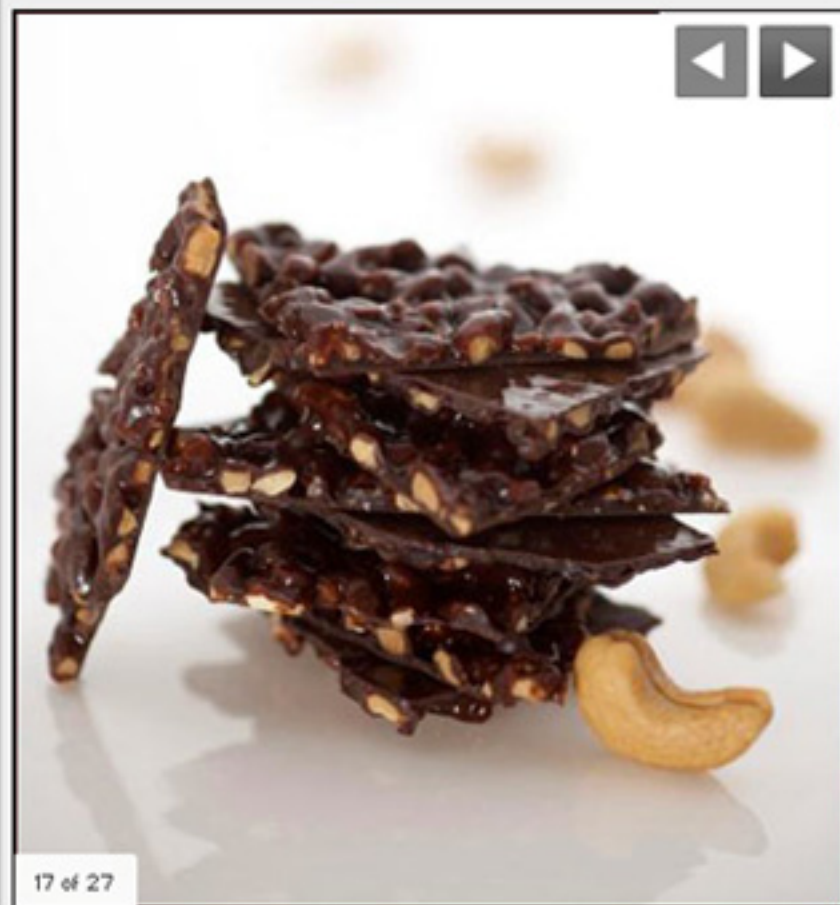

AOL  food

Thousands of new food products hit grocery and specialty store shelves every year and someone's got to sample them all. AOL Food editors Kat Kinsman, Sara Bonisteel and Sarah De Heer munch their way through food trade shows and local supermarket aisles in search of the most delicious snacks, candies, mixes, condiments, drinks, ingredients and ready-to-eat entrees the world has to offer.

Read on and stock up.

### Our New Obsessions

(Sarah's pick)  
**Dufflet Bittersweet  
Chocolate Crackle and  
Maple Cashew**

Don't get us wrong, we love the Almond and Pistachio Crackle that won this year's Sofi Award at the Fancy Food Show, but our hearts fell in love the minute the maple cashews broke through the deep, dark chocolate and melted in our mouths.

Available at [Dufflet.com](http://Dufflet.com);  
\$9.99
