Look at the photo to the left. Now, try *not* to drool ...

It's the holiday season, and you want chocolate. No, you *crave* it. In fact, you *deserve* it for enduring all the stress that comes with this time of year.

For you chocoholics and non-chocoholics alike, we recommend a sweet [Dufflet](#) treat. Hand-crafted. Top-quality natural ingredients. Nothing artificial. Just 100 percent delicious.

Hundreds of restaurants, cafes and specialty shops offer Dufflet pastries and desserts. You, too, can go into a chocolate coma, since Dufflet makes its Sweet Indulgences line available [via online ordering](#).

Small Indulgences is a luscious line of decadent chocolate treats that bridge European tradition with modern, imaginative flare. [Crackle](#), [Tumbles](#) and [Morsels](#) are all decadent-with-a-capital-D.

Try not to drool ...
