Business Award:  
Dufflet Pastries

Mayor Rob Ford  
and Members of Toronto City Council  
extend warmest congratulations to

**Dufflet Bakery**  
**Best Small Business**  
**Bicycle Friendly Business Awards**

*To encourage customers, clients and employees to choose cycling as a form of transportation is to contribute and support the health and well-being of our great city. The bicycle is an excellent mode of transportation, one that is environmentally sustainable, personally beneficial and a fun form of transit that has a positive impact and is a great alternative to the automobile.*

*The goal of the Toronto Bike Plan is to double bicycle use in the city by 2011 and this can only be attained through the tremendous support, encouragement and leadership of businesses like yours.*

*We extend our heartfelt appreciation and thank you for your contribution to helping Toronto reach its target goal.*

*Rob Ford*
