For more than 30 years, Dufflet has been Toronto's premier pastry shop, serving up all-natural handcrafted cakes, cookies, and bars. We were eager to try owner Dufflet Rosenberg's florentine-like Chocolate Crackle—and it didn't disappoint. Imagine toasted bits of almond, hazelnut, or cashew coated with a thin sheath of Belgian chocolate. \$13 for a 5.3-ounce box / available at Dean & DeLuca, 212-717-0800 —K.O.
