Caramel Crisps

Canadian cake and candy maker Dufflet Rosenberg, whose flagship bakery and retail outlet, Dufflet, has been a fixture in Toronto for 30 years, took the cake at this year's Fancy Food Show in New York (think the Oscars of food). After many silver medals, the bakery's addictive Caramel Crackle won gold for Best Confection. The tasty brittle mixes toasted almonds and pistachios with caramel and a hint of sea salt.

Dufflet **Caramel Crackle**, \$12/150-g box. Through DoveTale Collections.
