Dufflet

787 Queen West, at Manning, 416-504-2870, and others, dufflet.com

Toronto's dessert diva, Dufflet Rosenberg has come a long way since she first baked carrot cakes for the Queen Mother and Cow Caf e back in the day. Though she now supplies more than 600 restaurants and stores across southern Ontario and Quebec - Loblaws, Whole Foods and Pusateri's among them - with her signature baked goods, many of the originals are still on the menu, including her legendary sky-high white chocolate mousse layer cakes, frothy cappuccino dacquoise tortes and sinfully rich double-fudge cupcakes. Sweet indulgences, indeed!
