

GRAND OPENING - DUFFLET PASTRIES

Dufflet Rosenberg, Toronto's "Queen of Cake" has now opened her third retail outlet at 1917 Queen St (just east of Woodbine) in the Beach. With Dufflets Pastries now just over 30 years old, this new space has been wonderfully designed to make the cafe charming. The Beach Cafe is a little bit different than the other two locations. They will be open 7 days a week and are serving alcohol. The after dinner dessert and drink occasion will also be facilitated by an 11 pm closing on Thursday through Saturday.

Whether dining in on a light lunch and dessert or taking out, the range of products will provide complete satisfaction to your dessert desires. You will always be popular arriving at any event with something from Dufflet and their wedding and birthday cakes are simply impressive. Welcome to the neighbourhood Dufflet!
